Forgiveness of Sin Illustration

Instructions:

Print and cut out enough for one per person

Stick a strip of cellotape over the 'name' line

Each person should write or draw something
they have done that they knew wasn't right.

Write your names at the tops of your paper (on
the tape) with a felt pen.

Pray and ask God to forgive you for what is on
your papers.

Wipe off your name (use a damp cloth) and
write Jesus in its place.
